RE: Community Halloween Party

For the past 20+ years, Lake Region Electric Cooperative has hosted a Community Halloween Party in our warehouse. The party consists of food, games, and entertainment running from 4–6 p.m. on Halloween for children in preschool through sixth grade. The party has been widely accepted throughout the community and continues to grow in popularity. Our attendance has exceeded 1,000 people.

In previous years, several local service organizations and businesses assisted with the party by organizing games that were safe and enjoyable for children of all ages. We are asking for help again this year. If your group or business would be willing to create and organize a game, volunteer to assist, or make a contribution to the Community Halloween Party on Thursday, Oct. 31st, please contact Candace Roesch by Oct. 21st.

We appreciate the consideration you give this community event!

Sincerely,

Lake Region Electric Cooperative

Lake Region Electric Cooperative Presents
