Office Hours

Tuesdays and Thursdays
From 4-5 PM

Call / Text 432-349-1892.
(Brother Cody Rasbury)

Let me know a couple of days in advance if you would like to meet in person, which is much easier for more complex issues.

Please note that this offer is not limited to lodge specific technology, but an offering for any poor distressed Mason and their families.

Cataract Events Calendar Installation

Apple Device Instructions:

1. Copy this link: <webcal://p46-caldav.icloud.com/published/2/Mjl1Mjk5ODA3NzgyMjUyOdbUUzPNEEYzsdwFFOQ3R0LF9CwpOnKYyP4RQbHmrKuWzzydtuSR34dCq8qVCTx0nKm1z9X37Q9pITb6ah5YV9g>
2. Open "Calendar" App.
3. In the bottom center of the app, click "Calendars".
4. On the bottom left of the screen, click "Add Calendar".
5. Choose "Add Subscription Calendar".
6. Paste the Calendar Link text that you copied in Step 1 and click "Subscribe".
7. Customize any options you would like before clicking "Add".
 - a. *Note: Colors of events will be consistent based on the color selected, and notifications will be limited to 2 hours before all lodge events. Single-time events, like the Twins outing, will include a 24-hour notification. That theoretically should limit notifications to a few times per week.*

Google Calendar Instructions: *Instructions from the perspective of using a phone, it is much easier to navigate on a computer.*

1. Copy this link: <webcal://p46-caldav.icloud.com/published/2/Mjl1Mjk5ODA3NzgyMjUyOdbUUzPNEEYzsdwFFOQ3R0LF9CwpOnKYyP4RQbHmrKuWzzydtuSR34dCq8qVCTx0nKm1z9X37Q9pITb6ah5YV9g>
2. Open your preferred browser, the instructions will be aligned with Google Chrome. *(Do NOT use privacy browsers like DuckDuckGO for this process)*
3. Navigate to "calendar.google.com".
4. If you get a notification to switch to the app, click the small "I am not interested" button below. Your verbiage might be slightly different.
5. Scroll to the bottom of the page, and click "Desktop" next to View:
 - a. *Everything just got very, very small, but on most devices you can press your fingers close to each other on the screen and separate them while holding on the screen to zoom in.*
6. On the left side, under your standard calendars, will be Other Calendars, click the "+" sign to the right of Other Calendars.
7. Click "From URL" – You probably NEED to zoom in at this point.
8. Past the Calendar Link that you copied in Step 1 and click "Add Calendar".
